2. Meters not found adjacent to unit
3. This unit consisted of a vacated car wash. No access was available to the pump building.

GENERAL COMMENTS:

1. These schematic layouts are for representative purposes and do not preclude the requirement for architectural drawings and verification prior to internal layout and design.
2. All internal measurements were taken with Bosch GLM 40X Laser Measurer or Equivalent.
3. All internal measurements in drawing are Face to Face consistent with actual field recordings.
4. Measurements, Ceiling Heights, and pillar placements are accurate to nearest half inch.
